

## Press Release Quick Tips

---

NEW ROBUST LED PANEL MOUNT INDICATOR SERIES FROM VCC IDEAL FOR FREQUENT ON-OFF CYCLING

**Distribution Date:** August 5, 2016

**Product Name:** L65 series

**Product Description:** 5mm LED Robust Panel Mount Indicator - Mounting Hole 0.315” (8mm)

**Key Markets/Applications:**

- Industrial
- Transportation
- Food Service
- People Movers
- Medical Equipment
- Maritime
- Oil and Gas Industry
- Manufacturing
- Automation & Control
- Transportation Dashboard
- Electrical Control Panels

Key Benefits	Product Specifications
<ul style="list-style-type: none"> <li>• L65 Series reflector is a robust panel mount indicator, where the reflector is designed to allow maximum light distribution with a 30° or 45° degree viewing angle.</li> <li>• Available with red, green and yellow LEDs, they offer benefits such as a recessed LED, maximum light distribution, long lamp life, low heat output</li> <li>• LEDs achieve full brightness in microseconds and are ideal for use in applications that are subject to frequent on-off cycling.</li> <li>• Rugged vibration LED indicators are well suited for a number of applications, including industrial control panels, transportation dashboards, and aircraft instrumentation.</li> <li>• O-ring accessory available for watertight applications.</li> </ul>	<ul style="list-style-type: none"> <li>• Available in a robust body and recessed LED position for front panel mounting</li> <li>• Mounting hole size: 0.315” (8.0mm)</li> <li>• Max. panel thickness: 0.196” (5.0mm)</li> <li>• Diffused 5mm LED (T-1 3/4) offered in Red, Green or Yellow color</li> <li>• 30 degree or 50 degree viewing angle</li> <li>• Straight leads termination</li> <li>• Body Material: Brass, chromium plated</li> <li>• Rated voltage from 2 to 24 VDC</li> <li>• Mounting hardware provided</li> <li>• Accessories:               <ul style="list-style-type: none"> <li>○ O-Ring Gasket to secure for water, dust and oil tight applications</li> </ul> </li> <li>• Life Expectancy: 100,000 hours</li> <li>• Compliant with RoHS and REACH requirements</li> </ul>
